## EDUCATION

2018 - 2021 **BS Web Design and Development** & IT minor  
University of Arkansas at Little Rock  
2801 S. University Ave.  
Little Rock, AR 72204

2016 - 2018 **AS Liberal Arts and Science**  
U of A Pulaski Technical College  
3000 W Scenic Dr,  
North Little Rock, AR 72118

## WORK

2016 - now **Walmart Supercenter** (Sherwood, AR)  
Apparel Team Associate

I process and work merchandise to the salesfloor. Any overstock is binned in the appropriate area of the backroom. I use company equipment to check prices and locate merchandise on salesfloor/backroom. I also operate the phone and help customers in the store.

2014 - 2016 **JCPenney** (NLR, AR)  
Customer Care Specialist - shoe dept.

I scan the shoe stockrooms and work the Shoe on Display report. The report required me to create displays for each shoe's style and color. Other duties include the following: locating missing shoes, process stolen/lost shoes, place merchandise orders online for customers, and operate the phone.

2015 - 2016 **BJ's Brewhouse** (NLR, AR)  
Takeout/Host

The primary responsibilities were entering orders into the computer for transmittal to kitchen staff for guest requesting takeout from over the phone or in person. I package their order and collected their payments once they arrived.

2014 **The Heritage Company** (Sherwood, AR)  
Telefundraiser

Cold call consumers for donations on behalf of charities. Recite and/or summarized a script (that was on my computer) with information about a charity. If a customer was interested in donating, I entered in their contact information and have a supervisor to process their payment.
